GOV. MORROW ESTABLISHES A PRECEDENT

FRANKFORT, Ky., Jan. 8.—The 1920 session of the Kentucky Legislature was called to order shortly after noon Tuesday with a large crowd present to witness the opening ceremonies and to hear Governor Edwin P. Morrow deliver his message. This is the first time in the history of Kentucky that a Governor has delivered his message in person.

The House and Senate assembled in their separate chambers and proceeded to routine business connected with the first day of the session. Officers for both of the houses selected in the party caucuses Monday night were elected without delay and Representative Joseph Bosworth, of Middlesboro, assumed the chair as Speaker of the House.

Following other routine matters and consideration of the resolution for ratification of the constitutional amendment for national woman's suffrage, the two legislative bodies convened in joint session in the house to hear the message.

NATION-WIDE RAID ON "REDS" BY GOVERNMENT.

WASHINGTON, Jan. 8.—The greatest round-up of radicals in the nation's history was conducted last week by the government, acting through Department of Justice agents in thirty-three cities, stretching from Coast to Coast.

At midnight reports indicated that more than 1,500 members of the Communist and Communist Labor parties, against whom the raids were directed, were in custody and Department of Justice officials expressed the opinion that daylight would see twice that number behind the bars.

Not alone was the round-up the largest yet conducted by the government in its effort to rid the country of radicalism, but, in the view of the officials, it was the most thoroughly carried out. Department of Justice agents had been instructed several days ago and at 9 o'clock Friday night the move was begun on the radical headquarters, whether in Portland, Me., or Portland, Ore.

Department of Justice operatives were directed to catch the radicals "with the goods on," and that these instructions were carried out was evidenced in reports, particularly from New York, where the offices of communist newspapers were raided, and from New England, where considerable literature prepared for dissemination by the two parties was seized.

The primary objects of the raids, Assistant Attorney General Garvan announced, was the obtaining of evidence upon which the Department of Labor might proceed with the deportation of undesirables.

The larger cities in which raids were conducted follow:

New York, Baltimore, Boston, Buffalo, Chicago, Cleveland, Denver, Des Moines, Detroit, Grand Rapids, Hartford, Indianapolis, Jacksonville, Kansas City, Los Angeles, Louisville, Milwaukee, Newark, Omaha, Philadelphia, Pittsburgh, Portland (Me.), Portland (Ore.), Providence, San Francisco, Scranton, Spokane, St. Louis, St. Paul, Springfield (Mass.), Syracuse, Toledo and Trenton.

Minor raids were made in other cities.

The biggest "bag" of the radicals was made in New York, where at midnight more than 800 had been arrested and sent to Ellis Island. From a dozen New England cities 300 or more of the Communists were gathered and in Detroit the raiders found plentiful supply, taking about 300 into custody. Chicago and Philadelphia supplied more than 120 and Buffalo about 100.

A larger number than in any previous raid was reported from practically all of the cities.

The object of the raids, Assistant Attorney General Garvan said, was to obtain for submission to the Department of Labor cases for deportation of "a very large number of our most dangerous anarchists and radical agitators." Agents of the department, he added, went out prepared to catch the radicals "with the goods on."

In connection with announcement of the raids Friday night, Attorney General Palmer made public a letter which he had written to Barclay Hoynes, State's Attorney for Cook County at Chicago, in which Mr. Hoynes was requested to defer the local raids conducted there Thursday night.

Mr. Palmer explained in his letter that the Department of Justice had planned a nation-wide campaign against the same people which were to be raided by Mr. Hoynes' agents in Chicago. Department officials said they were without information as to why the Chicago raids went through Thursday night when Mr. Hoynes had full information as to the plans of federal agents to do the same work Friday night.

The general charge of attempting to overthrow the government by force and violence was placed against the persons arrested during the raids. Officials declared they believed that several hundred members of the Communist and Communist Labor parties would be behind the bars before morning.

Officials here declared the nationwide round-up was the most completely planned and the machinery was the best oiled for this of any raids launched against the radical element in this country. It was arranged some ten days ago that the raid should take place Friday night, and confidential communications were sent to Department of Justice representatives and United States Attorneys in the thirty-three cities.

Department of Justice agents desired most of all to capture incriminating document, not so much of the literature and propaganda, but papers showing details of the communist organizations in each city. It was indicated that if such evidence were obtained, deportations of the persons concerned would be an easy matter.

As in the case of the members of the Union of Russian Workers, several score of whom were abroad the transport Buford, which sailed from New York ten days ago, membership cards in the organization were regarded by officials as constituting the best documentary evidence on which to base deportation cases. Officials said the only difference between the Communist party and the Communist Labor party was one of leadership. Both have been endeavoring to bring about the establishment of a soviet form of government in this country since their organization last September, according to officials.

Documents gathered by federal agents recently show conclusively, it was said, that plans were drawn up by the leaders of each of these parties to develop a score or more of soviet throughout the country. These were to be merged under a soviet council similar to that which now exists in Russia, according to Mr. Garvan.

Many People Report Big Gains In Weight

THOUSANDS OF THIN, FRAIL PEOPLE RESTORED TO HEALTH BY TANLAC.

MANY REMARKABLE EXPERIENCES TOLD

People In All Ranks of Life Tell What Celebrated Medicine Has Done For Them.

One of the most noteworthy features in connection with Tanlac and the one that stands out more prominently than any other, perhaps, is the very large number of well-known men and women from all parts of the South who have recently reported astonishing and rapid increases in weight as a result of its use.

When so many well-known people of unquestioned integrity make statement after statement, each corroborating the other, the truth of such statement can no longer be doubted.

Thousands have testified that this famous medicine has completely restored them to health and strength, after every other medicine and the most skilled medical treatment have failed.

One of the most remarkable cases on record is that of Mrs. Viola Ives, of 315 Cross street, Little Rock, Ark., whose statement appears below.

"In May of 1913," said Mrs. Ives, "I suffered a complete breakdown of my nerves and my entire system gave way. About six weeks afterwards I was carried to the hospital. I became perfectly helpless—could not move any part of my body and just lay there in bed for five months not knowing anything or anybody. I was brought home in October, 1913, and tried all kinds of medicine and everything I was told about.

"I read about so many people getting relief by taking Tanlac and my husband got me a bottle. After taking three bottles I began to feel better. I have taken several bottles of Tanlac now and I can walk anywhere and sleep like a child. When I took my first dose of Tanlac I weighed only one hundred and sixty-two pounds. I now weigh one hundred and sixty-two—an actual gain of forty pounds since I started on Tanlac."

Texas Man Testifies

Another remarkable case was that of John M. Crabtree, a general merchant of Five Mile Station A, Dallas, Texas:

"I have actually gained thirty-four pounds on three bottles of Tanlac and I now know what it is to enjoy good health after suffering for twenty years," said Mr. Crabtree.

"I suffered with catarrh of the stomach and indigestion for twenty years and for eighteen months, before I started taking Tanlac, I had to live almost entirely on cereals. I spent nearly all of one whole year in bed and was unable to do anything at all and I fell off in weight to 118 pounds.

"After using my third bottle of Tanlac I found I had increased in weight from 118 pounds to 152 pounds, making an actual gain of thirty-four pounds—all my troubles were gone, and I was feeling like another man."

Captain Jeff D. Riggs, popular Y. & M. V. engineer, running between Vicksburg and New Orleans and residing at 2020 Pearl Street, Vicksburg, in speaking of his experience with Tanlac said: "Yes, sir, it's an actual fact, I have gained twenty-five pounds on Tanlac."

"When I began taking the medicine," continued Captain Riggs, "I was simply a nervous and physical wreck and had dropped down in weight from one hundred and forty to one hundred and ten pounds.

"I have just finished my second bottle of Tanlac, have gained twenty-five pounds and I feel like a new man."

MRS. CHAS. PEDEN GAINS 27 POUNDS

WAS TWICE EXAMINED AND TOLD OPERATION WOULD BE HER ONLY HOPE

"I have just finished my third bottle of Tanlac and have gained twenty-seven pounds," was the truly remarkable statement made by Mrs. Charles Peden, residing at 550 Mill Street, Huntsville, Ala.

"When I commenced taking the medicine," she continued, "I only weighed 125 pounds, and never felt better in my life. For years I have suffered with a bad form of stomach trouble, constipation and pains in my side and back. At times the pains took the form of torture, and I was twice examined and each time I was told that I had appendicitis and that an operation would be my only hope.

"I had made all preparations for the operation and called in my sister to tell her good-by, as I did not know whether I would live to see her again or not. My sister begged and pleaded with me not to allow them to cut me and told me to wait and try a good tonic for awhile. The next day, as I returned from the consultation room, I thought of what she said, and I had heard so much about Tanlac, I decided to try it and got a bottle."

"I never returned for the operation, but just kept taking the Tanlac. Right from the start I began to feel better. The medicine seemed to take hold right at once.

"I was so happy over the wonderful improvement in my condition that I sent for my neighbors to tell them how much better I felt. I sent and got another bottle of Tanlac, and have just finished taking my third bottle and feel as if I have been made all over again into a new woman."

ty-five pounds and I feel like a new man."

Old-Time Engineer Talks.

Engineer Charles J. Weeks, who runs the Seaboard Air Line fast train "Fox" between Jacksonville and Tampa, bears the distinction of being the second oldest engineer in point of service with this road, having been with the company for thirty-five years.

"I have gained twenty pounds on seven bottles of Tanlac and feel as well and happy as I did when a boy," said Mr. Weeks.

"For twenty years I suffered with nervous indigestion of the worst sort," he continued, "and at times during the past fifteen years I didn't think I would last much longer. To tell you the truth, I finally reached the point where I didn't much care whether I lived or died."

Thousands of other people all over the country have reported the same astonishing gains in weight after taking Tanlac. Among these are: Mrs. E. O. Wilson, of 197 Bass Street, Atlanta, Ga., who gained 25 pounds; Edward Reno, 1721 Broadway, Kansas City, Mo., who gained 25 pounds; Mrs. W. C. Cochran, of Juliaetta, Idaho, who gained 22 pounds; Mrs. Doll Davis, of 108 Samuel Avenue, Peoria, Ill., who gained 30 pounds; Chas. E. Shaffer, 508 W. Charleston Street, Portland, Ore., who gained 24 pounds; Mrs. Amelia Mann, R. F. D. No. 2, Ogden, Utah, who gained 25 pounds; W. S. Hukill, 7308 Park Avenue, Tacoma, Wash., who gained 20 pounds; Mrs. B. W. Smith, 3113 Burdett Street, Omaha, Neb., who gained 25 pounds; Fred W. Saunders, 710 Market Street, San Francisco, Cal., who gained 24 pounds and many others too numerous to mention.

Tanlac is sold in Paris by the Peoples' Pharmacy.
